Why should I enter the awards?

- Your products and services will be reviewed by our panel of industry leading experts and ranked among the best in the ILS sector
- Reward and recognise your team and colleagues
- The most important and widely recognised benchmark for the ILS market
- Benchmark your work against the best in the business

Who should enter?

- Entries will be accepted from any entity within the ILS market across the globe
- Initiatives, Projects, Solutions and Transactions related to achievements from January 2022 to January 2023 will be accepted only, unless otherwise stated in the category criteria. All evidence must take this into consideration
- (Re)insurers, brokers, reinsurance carriers and industry analysts
- ILS managers, investors and underwriters

New for 2023

- Climate action firm of the year
- D&I initiative of the year
- InsurTech solution of the year

5 top tips for entering

- Bear in mind the amount of entries our judges review so get straight to the point
- Remember you can use the 'supporting information' tab to provide additional material
- Testimonials are a great way of supporting your entry
- You don't have to use all the word count available to you
- Write your entry out in a word doc first and get someone to proof it

Good luck with your entry!
